ADDITIONAL BUS RIDERS

For new students needing school bus transportation outside of the main populated area of the City of Tulare or rural areas, please contact the Transportation Department in advance notice. We will need enough time to obtain a bus stop time and location for pick up to and from school to ensure no interruption of transportation needs.

RETURNING BUS RIDERS

For returning bus riders, please be at your previous bus stop 15 minutes earlier than last year until we make the necessary additions and drops to our bus routes. The bus driver will be communicating with the students of updated times and locations for their bus stops.

ADDITIONAL INFORMATION

If a student does not appear more than three (3) days in a row at their assigned bus stop, the student will be dropped from the route. If the student will be out for more than three (3) days in a row, please contact the Transportation Department or inform the driver so the student will not be dropped from the route.

Students will not be allowed to get off at an unauthorized stop without a prior parental/guardian permission slip approved by the school attendance office.

Seat belt use if equipped on buses by law is mandatory at all times when the bus is in motion. This will be enforced.

Please note that students who receive permission to attend a school outside their attendance area must provide their transportation to and from school.

If you have any questions about the bus stops, please contact the Transportation Department at 559-688-2021 ext. 2023 or 2009.
